

You've Tried The Rest, Now Try The Best!

AutoRad, LLC is the premier choice for many of the leading rod shops in the country. Our radiators are attractive and keep your engine cool under the most extreme conditions. They are made out of .090 aluminum, and our cores are vacuum brazed with no epoxy necessary, unlike our competitors.

We make radiators for **STREET RODS, MUSCLE CARS** and hard-to-find **CUSTOMS**.

AutoRad, LLC's main goal is customer satisfaction. We strive to make your radiator fit your needs. That's why our radiators are made per order, hand made every time.

ATTENTION CAR MANUFACTURERS & ROD SHOPS

We specialize in designing and building radiator packages to specifically fit your style car. Contact us and let us build a custom radiator for your next innovation.
